2. Measures taken to complete the syllabus of courses and programs.		The University of Burdwan took proactive steps in ensuring that the teaching learning process remains uninterrupted and the students can be provided with continuous psychological and academic support in times of uncertainty arising out of COVID 19. In par with the decision of the Government of West Bengal, the Executive Council of The University of Burdwan decided to shut down the campus with effective from 14.03.2020. However, it was decided to continue the teaching learning process uninterrupted through online mode using the available platforms like Zoom, G-Suite and other established online/social media platforms etc. Several administrative meetings (Like Executive Council, Departmental Committee, PG Board of Studies, Board of Research Studies, etc.) were conducted online wherein issues concerning students and teaching-learning were continuously discussed and problems were addressed. Online classes were conducted smoothly from 28.03.2021 on the basis of class routines for each department so that a specific schedule could be maintained while conducting classes online. Each department developed WhatsApp groups comprising students and faculty members to facilitate smooth and speedy communication and redressal of the problems faced by the students. In the context of providing online teaching and learning, the constraints as well as opportunities were identified before hand and the pertinent issues like connectivity problems were reviewed and the solutions were appropriately addressed. Students facing connectivity problems were provided with suitable alternatives wherein the recorded videos of the classes held online were uploaded on the university website along with the softcopies of the study materials. In order to facilitate the process, the Digital Learning Monitoring Cell of the university sensitised the department and identified the areas where the need-based support could be provided to the students. Furthermore, the cell took a leading initiative in providing the need-based support to the departments in organising Webinars on various themes of academic and emerging areas of interest. Students have also been motivated to participate in the webinars. The examination system was centrally monitored through a dedicated team that coordinated the online examination system in an effective manner covering 291 colleges and 33 post graduate departments. Furthermore 6 refresher courses and 1 winter course have been effectively conducted through online platform by the UGC-HRDC of the university. Overall, the initiatives taken by the university have been effective in ensuring the achievement of academic goals like completion of syllabus on time, smooth conduct of examinations through blended mode resulting in positive outcomes for the stakeholders in general while strictly adhering to guidelines issued by the regulatory bodies from time to time.
