INTRODUCTION

There are some innovative methods and new approaches for teaching Arabic Language for non-native speakers in modern era. The department of Arabic has decided to organize A One Day National Workshop on **“Teaching of Arabic to Non Native Speakers: New Approaches& Methods”** to give training to the Arabic teachers from different colleges and schools from West Bengal so that they acquaint with these new teaching approaches and methods. It will help the teachers to enhance the teaching skills and meet the need of NEP 2020 too.

Objectives:

This one day workshop intends to make the teachers of Arabic language aware of the following facts:

- a) New approaches adopted globally.**
- b) The new techniques of teaching the foreign language.**
- c) Enhancing teaching skills.**
- d) Using Applied Grammar.**
- e) Improving language soft skills.**
- f) Fostering professional growth.**
- g) Incorporating with technology.**
- h) Developing Assessment techniques.**

Due to scarcity of fund no TA and DA will be provided although the local hospitality will be arranged.
