Notice

Subject: - Deferment of Alumni Meet and 1st Annual General Meeting of The Burdwan University Master of Business Administration Alumni Association, earlier scheduled on 23rd January 2022 until further notice

Dear All Alumni,

Hope this will find you in good health amidst this pandemic situation.

We all are witnessing that the coronavirus has once again spread rapidly all over the country as well as the globe. Looking at the rapid spread of the coronavirus pandemic, it is with deep sadness and heavy hearts the Executive Committee has been compelled to postpone the Alumni Meet and 1st Annual General Meeting of The Burdwan University Master of Business Administration Alumni Association, earlier scheduled on 23rd January 2022 until further notice.

We were eagerly looking forward to meeting with you all on 23rd of this month, but unfortunately, now this news of adjournment will bring in lot of disappointment to you. However, we must prioritize everyone's health and prevent any chances of further Covid spread. Hence, we have taken this tough, but necessary and timely decision of calling off the Alumni Meet and 1st Annual General Meeting.

We hope to stay in contact with all of you and would definitely try our best to organize the events after this wave of Covid subsides.
