To: Jaydip Mukhopadhyay <[jaydip.edu@gmail.com](mailto:jaydip.edu@gmail.com)>

**Dear Mr Jaydip Mukhopadhyay,**

Kindly accept our compliments on making such a persuasive presentation to our Jury and adding to a mutual learning pool of best practices. While jury ratings have come in, it is time now to solicit popular votes for your nomination. This is important for the following reasons:

1. Making your department/ organisation and its wider ecosystem a part of the evaluation exercise.
2. Creating a buzz around your good work, informing your colleagues and peers about what has been done and making them feel proud of the achievements.
3. Benchmarking your popularity against peers from other organisations.

The Popular vote carries a 15% weightage (upto 1.5 marks). This is added to the jury score to arrive at the semi-final stage of the SKOCH Award. This ensures the SKOCH-Order-of-Merit certificate and also qualifies you to compete for the top national honour by soliciting the expert vote from delegates during the conference.

Please follow the below mentioned steps for submission of vote:

- Step 1: Click on this link <https://exhibition.skoch.in/register/> for registration.
- Step 2: Fill out the Registration Form.
- Step 3: Once registration is done, you will get a 'Verification Email' message. Click on the link to verify your email. Proceed to sign in using the given link in the mail (Verification is important for security purposes).
- Step 4: Click on your page's direct link <https://exhibition.skoch.in/beacons-of-hope/department-of-higher-education/>
- Step 5: Scroll to the vote section of your project's page and click on the 'Star Rating' and then 'Submit' to confirm

In order to improve your chances to win SKOCH Order-of-Merit, you may like to

share the link with your stakeholders. You are also urged to host the above link on your website and encourage people in your ecosystem to visit, learn, understand, support and Vote for you.

The voting lines are now open and it will close at 10:00 hrs on Monday, 30<sup>th</sup> August 2021.

Thanking you,

Yours sincerely,

**Deepak Dalal**
