| <p>i) Details of investigation done by Anti-Ragging Committee members:</p> | <p>In light of these allegations convenor of Anti Ragging Squad and convenor of the Anti Ragging committee and a senior member of the Anti ragging squad visited the law department on October 1, 2024. During the visit, the team held closed-door interactions with various faculty members, guest lecturers, non-teaching staff, and students who were present. Additionally, the Teacher-in-Charge of the department was consulted via Google Meet as she was absent. The TIC informed the committee that an online visit by the Bar Council of India (BCI) was held on September 9, 2024. The BCI visit was crucial, as the law department cannot operate without BCI approval. During this visit, some students opposed the presence of the University's Registrar, raising "go back" slogans, which disrupted the peaceful academic environment and undermined the significance of the BCI inspection. The investigating team comprising convenor of Anti Ragging Squad and convenor of the Anti Ragging committee and a senior member of the Anti ragging squad instructed the accused students, along with Pampa Naskar, to appear before the team. While Mr. Munish, Mr. Robiul, and others complied, Ms. Pampa Naskar did not meet with the Anti-Ragging team on either October 1 or October 3, 2024.</p> |
| <p>ii) Conclusion of the investigations</p> | <p>Following the investigation based on the complaint submitted to the UGC, the findings are as follows:</p> <ol style="list-style-type: none">1. Allegation of being beaten with sticks and strangled: No evidence was found to substantiate this claim. No girl students were reported to have been physically assaulted.2. Allegation of daily death threats: This claim could not be corroborated. No evidence of death threats on campus or within the law department was found.3. Personal Allegation of the girl student of alleged stalking and threats of death at residence by goons: The complainant did not appear before the committee, raising doubts about the authenticity of the claims. Additionally, if threats were made at the student's residence by outside individuals (goons), this would fall outside the purview of the Anti-Ragging Committee.4. Allegation of students threatening to file false police complaints: No evidence of such threats was uncovered.5. Findings of the investigation: On August 9, 2024, an incident involving howling and agitation against the Registrar took place in the law department, led by 3rd-year law student Munshi Asafur Karim, with support from Pampa Naskar. During the BCI online visit, Mr. Munshi Asafur Karim attempted to lock the departmental library to disrupt the visit. Mr. Robiul Halder, an LLM student, opposed the disruption and took the lock from Mr. Karim to ensure the BCI visit proceeded. This led to a confrontation among the students, which others eventually defused. |
